

## PEI School Athletic Association Intermediate Golf Championships

The Ocean View Golf Club was the host venue for Wednesday's 2017 PEI School Athletic Association Intermediate Golf Championships. PEI's best Intermediate School golfers were greeted with a beautiful day on the well conditioned Summerside course. In the girls division, Sara MacEachern shot a 53 to edge out Maddison Keogh and Grace Yeo and capture the individual Gold Medal. East Wiltshire received consistent play from their 4 member team to dominate the competition and win the PEISAA Team Championship.

In the boys division, Bradley Chisholm fired a fine 78 to capture the Individual championship and combined with his 3 teammates to wrestle the PEISAA Team Championship from Stonepark.

Organizers were very pleased with the record participation of 32 girls in this year's championship, it certainly bodes well for the future of girl's golf on PEI. In total there were 65 students representing 14 different schools in this year's championship.
